

Items for Recycling when Buying New Black Box Electrical and Electronic Equipment

Under the Dutch Waste Electrical and Electronic Equipment (WEEE) Management Regulations, Black Box is required to finance the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from them after August 13th 2005, when that new equipment eventually becomes waste. Black Box has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that enclosed waste (EWC code 16 02 14) is:

To be sent to:

Old equipment that has been replaced by a purchase of new Black Box equipment after 13 August 2005 (on a one-for-one, like-for-like basis); and / or
