

Product Data Sheet

Wallmount Charging Lockers, Basic Charging

UWL-10KD

Overview

Wallmount Charging Lockers, Basic Charging are ideal for smaller classrooms, offices, and training environments that are short on space. The Lockers hold 10 or 12 iPad® tablets or 15-inch Chromebook™ laptops. The lockers also give you the versatility to mount multiple lockers together for more storage options.

Configuration Options

- Store tablets or 15" Chromebook laptops.
- Holds up to 10 or 12 devices.
- Keyed locks or padlocks.
- Shelf and device divider protection.
- Separate locking power management drawer.

Features

- Save your floor space and secure and charge your devices in this compact locker measuring only 17"H x 21"W x 16"D. The locker can be wallmounted or placed on top of desks, tables, filing cabinets or shelves.
- Device count: Store 10 to 12 devices from iPad tablets to 15-inch Chromebook laptops, or other similarly sized devices.
- Create locker walls. Stack Lockers on top of each other or mount them side to side and back to back to create Locker walls and blocks.
- Super strong. 100% all-steel lockers hold up to 150 pounds.
- U.S.-built, in-stock, ready to ship. Get the fastest delivery in the industry.
- Power Management. The Lockers include a drawer for easy management of power bricks and wall warts. Lockers include one PDU.
- Safe and secure. The front door features two-point locking to secure devices. Padlocking is optional.
- Use and reuse. If your application changes, so can the Lockers. They feature adjustable-depth 19" rackmount rails so you can mount IT equipment for different uses.
- Wallmount on 16" and 19" C/C studs. Hardware included.
- Power management drawer can be ordered with separate lock for administrator access only.

Wallmount Charging Lockers, Basic Charging Data Sheet
