

## Custom Cable Request Form

(Page 1 of 2)

Create your own custom cable with this form by indicating cable type, length, and jacket type as well as connector gender, connector type, and special instructions. If you select foil shielded as the cable type, remember to circle your drain-wire option. Lastly, indicate your pinning requirements.

After you've submitted the form, you'll receive a confirmation e-mail. Need help? Call our FREE Tech Support.
